Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$3,000,000 in funding for Mitchell Park Marina Bulkhead Improvement Project in fiscal year 2024. The entity to receive funding for this project is The Village of Greenport, located at 236 Greenport NY 11944. The funding would be used to repair and remediation of Mitchell Park's bulkhead. The project is an appropriate use of taxpayer funds because it would restore vital waterfront infrastructure.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133: The Surface Transportation Block Grant Program.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
